

# Services and prices of Koelnmesse 2014

Calculate your trade fair success

# Successfully prepare your trade fair participation

## The calculation basis of our services

A successful trade fair presentation requires precise planning and calculation before booking an exhibition area. With this prices and services catalogue from Koelnmesse, you can calculate the costs of the additional services you may use during your trade fair presentation and add them to the cost of renting an exhibition area.

## Important information:

This catalogue provides information on the individual services offered and allows you to plan your trade fair presentation. Please only order using the Koelnmesse Service Portal at [www.koelnmesse-service-portal.de](http://www.koelnmesse-service-portal.de). All prices listed are net prices and are subject to change. The VAT applicable in per item case will be added to the price.

## Plan efficiently and easily in just two steps

This prices and services catalogue comprises a product description and a price list with which you can calculate your trade fair presentation in two fast and easy steps.

### Step 1: Product description

The product description provides you with all the services and related information, so you can select the services relevant to you. Here you will find numerous ideas for the successful planning of your trade fair participation.

### Step 2: Price lists

The price lists display all of the service prices in a clear and compact presentation. If the service you are looking for does not have a list price, call us on +49 221 821-3998. We will be happy to help.

Navigation through our catalogue is easy, thanks to the direct links from the product description to the price list. Just print the appropriate page of this file.

# Koelnmesse for your success

## Our combined services

In this overview of our services and prices, we illustrate the entire spectrum of our service offerings: from stand planning (S.01 to S.11) to technical services (T.01 to T.24) and marketing services (M.01 to M.12) to catering (C.01 to C.03) as well as a choice of suitable hotel accommodations. With these services, we provide everything you need at a trade fair that your company profits from for the long term. Working with our contract partners, we offer a comprehensive range of services that ensure a perfect trade fair experience for you.

## We maximize your success

## Marketing-Services

# We provide the decisive momentum: With our marketing services

There are many ways to stage a successful trade fair presentation. The most direct way is to take advantage of our marketing services. We offer you advertising, as well as the opportunity for you to multiply your media contacts with our comprehensive press compartment services. Our wide spectrum of event services enables you to make a lasting impression on your most

important customers. LeadSuccess is a highly effective tool for gathering and managing customer data, and for follow-up activities that use this data to establish many contacts. Simply select the marketing services from our range of offerings that are best suited for your trade fair presentation and for communicating your company's messages.

# Marketing-Services (M.01–M.12)

## M.01 Advertising space

### Targeted communication for visible success

We offer a broad range of options, from Internet banners and advertising towers to megaprints, enabling you to put your company in the spotlight for your potential customers.

#### Here are some of the advertising options we can offer you:

- Advertising space in the main entrance areas
- Advertising space on the exterior walls of the trade fair halls

- CityLight displays, LightBoxes in passages and entrances
- Banner, boulevard
- Front surfaces of stone steps and handrails at escalators
- Advertising space in the trade fair halls
- Videowall

## M.02 LeadSuccess

### How to safeguard your valuable visitor data

To ensure that your presentation and your crucial post-fair business run smoothly, it is vital that you document all of the necessary information about every visitor to your stand. However, it is difficult to find time during the fair itself to note down everything you need. And that means lead management chaos begins afterwards, when you have to hunt for slips of

paper and try to fill in the gaps from memory. Why not try our LeadSuccess system? This elegant service enables you to professionally record visitors' data at your stand, add extra information into a configurable questionnaire, manage your lead contacts after the fair, and plan your follow-up activities at leisure.

## M.03 Press compartment service

### A professional presence worldwide

#### "Online" press compartments:

- setting up of your virtual press compartment on the trade fair's website six weeks before the trade fair begins
- publishing of all company relevant information
- automatic registering of all of your press releases with the 20 leading search engines
- the contents of your press compartment can be updated and supplemented at any time
- worldwide access to your press compartment for 12 weeks after the trade fair is over

#### Press compartments in the Press Centre:

- Deposit of all the information about your company that you would like people to know about

#### Other services:

- Regularly updated List of Exhibitors on a large screen
- Our service personnel monitor the press compartments at the trade fair. If your compartment is empty, we will let you know immediately.
- Your press compartment is labelled with your company and brand names, plus your logo.

### M.05 Photographer service

#### Show yourself in the best light

We offer you the entire spectrum of professional photographic services: from digital photography to image processing to traditional analogue photography. We will provide outstanding and appealing images of your stand, your exhibits and the stand team. Our photographers will contact you and make you an individual offer according to the information you provide.

>> [To the price list](#)

### M.06 Assessment of trade fair presentation

#### Trade fair success is measurable

We commission an independent external consulting firm to visit and evaluate the trade fair stands. This task is conducted anonymously by various people, and stands can be visited at any

time. The results will be documented in writing, evaluated and forwarded to you in a folder.
